

Appl. No. 09/988,691
Amdt. dated February 22, 2006
Reply to Office action of December 27, 2005

REMARKS/ARGUMENTS

Applicant received the *Quayle* Action dated December 27, 2005, in which the Examiner objected to claims 1, 2 and 19 because of informalities, but otherwise determined the case to be in condition for allowance. All informalities have been addressed via amendment.

Applicant respectfully requests reconsideration and that a timely Notice of Allowance be issued in this case. It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Hewlett-Packard Development Company's Deposit Account No. 08-2025.

Respectfully submitted,

Jonathan M. Harris
